Pamela Drive Re-Opened to Traffic

(Bel Air, MD) - - The Department of Public Works has announced that Pamela Drive from U. S. Route 40 to Frans Drive in Abingdon has been re-opened to traffic following the partial completion of major sewer main installation work.

The former traffic detour of Frans Drive to Longley Road to Long Bar Harbor Road to U.S. Route 40 is no longer in effect. However, DPW advises a second closing involving this road may be necessary in the future to allow for the completion of the remainder of the sewer main project.

For further information regarding this project, contact David Peplinski, Project Manager, Department of Public Work, Monday through Friday, during normal business hours at 410-638-3300, Ext. 1469.
